ICU

PRACTICE YOUR PROFESSION IN PARADISE.

Lee Memorial Hospital is a 608-bed progressive, not-for-profit acute care facility, located in Fort Myers, Florida on the sunny southwest coast of Florida.

With the opening of our ultra-modern second location, HealthPark Medical Center, in December, 1991, there will be positions available for **ICU and Open Heart Intensive Care Nurses.** At least one year of experience is required.

We have over 150 intensive care and monitored beds where we provide highly skilled care to the critically ill.

Lee Memorial offers excellent salary and comprehensive benefits including relocation assistance. For further information, call toll free, nationwide **1-800-642-JOBS,** or in Florida, **1-800-422-4672,** or write to: **Rosie Roche, Nurse Recruiter, Lee Memorial Hospital, 2776 Cleveland Avenue, Fort Myers, FL 33901.** Lee Memorial Hospital is a drug free, smoke free workplace. We require pre-employment drug testing. Equal Opportunity Employer.
